Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Overview

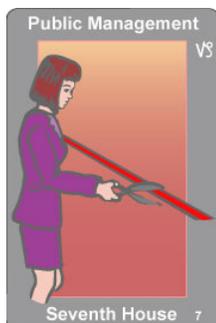

Kristen

Kristen makes a great friend as she is quite naturally warm, big-hearted, and just plain friendly. She tends to be more than a little social and often ends up at the center of any group. She is used to getting quite a bit of attention much of the time. Kristen naturally likes relationships and can make an excellent friend, especially if you don't mind doting on her a bit. However, she tends to be somewhat on the high-maintenance side, but that is a small price to pay for someone so entertaining and fun to have around. If you too happen to need lots of attention, this might not work out too well, but if you are more of the caring and attention type, this could be the perfect friendship.

Robert

Robert makes a wonderful friend, is naturally of a compassionate nature, and very forward looking. He is more at home with words and the mind in general, than with a lot of glad-handing and group peer pressure. Robert is, for the most part, kind, thoughtful, and naturally cares for others. He is looking for a long-term friendship, and values his friendships very highly. His agility with concepts and ideas is marvelous and he would often rather talk or read more about something than actually do it. Robert's view on things always seems to be coming from another angle than what is popular; he always takes a different slant on things. He is shy and somewhat insecure and likes encouragement.

How you Approach Relationships

Report for Kristen

You are always sensitive to others' feelings, and you pick up on even the slightest change in mood. Life for you is, above all, an experience to be lived and felt, and you find yourself sometimes up and sometimes down. You look to your partner for continual advice and guidance. You prefer a mate who is able to give you an overview or picture of what is happening. It's even OK if your partner runs a tad cool, because you tend to run a little hot... sometimes gushy. You depend on the calm, disciplined advice of a good manager -- which is what your partners often turn out to be.

Capricorn On 7th Cusp

You like a partner that is a hard worker, perhaps a little on the serious side -- a mainstay of the community. They may tend to run a little cooler than hot, and this is OK with you. You may benefit from the discipline that an older, more accomplished, life brings to you. You may have a tendency to find your partners restrictive and too serious at times.

Saturn Ruler of 7th

You approach relationships with great caution and may even shy away from them. They are not something you are apt to take lightly. If you do enter into one, it is a very solemn business with you, even downright religious. You insist that any bond be a strong one and based on the most serious of reasons. You might just find it easier to join with God and live a religious life than to take a living partner. Not much given to flings, you may prefer to marry late or be involved in a marriage where one partner is much older than the other. Your social life may include priests, ministers, monks, and other very disciplined folks.

Saturn In 7th House

Strengths in your Relationships

Report for Kristen

Good things tend to come your way, and you could end up with a lot of money, property -- possessions of all kinds. You are by nature generous, and probably give as much as you get. There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your warmth and openness. You are quite fortunate.

Venus Trine Jupiter (orb: 00 16')

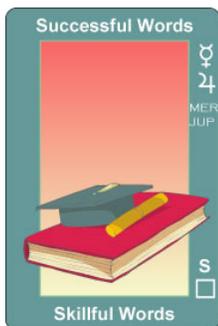

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

Mercury Trine Uranus (orb: 01 08')

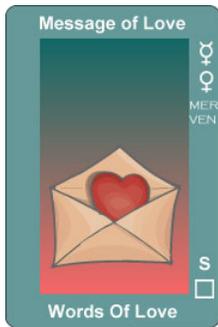

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

Sun Sextile Mars (orb: 02 01')

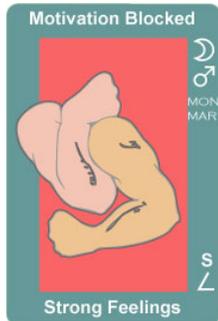

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Sextile Jupiter (orb: 04 39')

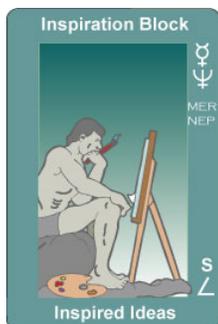

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

Mercury Sextile Venus (orb: 04 55')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Trine Mars (orb: 05 51')

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

Mercury Trine Neptune (orb: 06 07')

Challenges in your Relationships

Report for Kristen

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

Moon Square Neptune (orb: 01 16')

You are torn between the impulse to stand on your own feet, and a need to be cared for and nurtured. Your independent streak may be ashamed of the need on your part for love and affection. It's a no win situation. This could also be re-enforced by a mother and father who may have worked at cross purposes. The resulting tension will have to be dealt with gradually and methodically.

Moon Opposition Sun (orb: 03 50')

A history of insecurity, possibly fear of confrontation and of getting to the heart of things. Competitive to the point of power struggles. Frequent blow-ups. Things tend to build up to the point where you go through some big transformation and start over. Your attempts to control relationships end with your feeling rejected. A very understanding, psychologically oriented partner is in order.

Mars Square Pluto (orb: 04 33')

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

Sun Square Neptune (orb: 05 06')

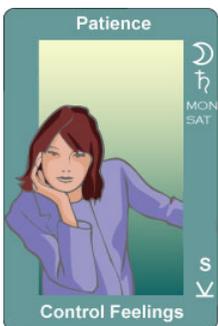

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

Sun Square Saturn (orb: 05 10')

You are unconventional, at the expense of your own popularity. You did not care to follow in the footsteps of a traditional upbringing, and you may have left some very disappointed parents behind as you set out on your own. Independence and originality for you have been almost a private thing. You have sought it out despite the occasional disapproval of the status-quo. You may be restless and move around a lot. Your desire for personal freedom has always gone against the majority.

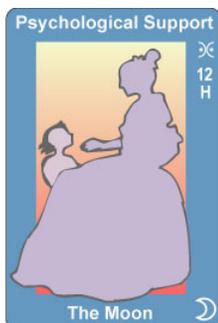

Moon Square Uranus (orb: 06 14')

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't help but be a party-pooper. You won't just let your feelings out without examining them. Contact with others may have the effect of putting them in touch with their more serious side. Some may see you as religious or meditative.

Moon Square Saturn (orb: 09 00')

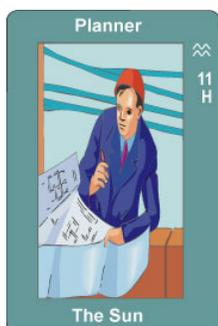

Your Relationship with Robert

Report for Kristen

He has a healthy psychological effect on you. You probably have long and involved discussions, perhaps secluding yourself from the rest of the world for a time. Through knowing him you feel more accepting of the way life and the world are. He is supportive of the tendency in yourself to forgive and forget, to suffer the pangs and arrows of life in favor of its better qualities. When you are with him, you can become very accepting, tranquil, almost sweet.

His Moon In Your Twelfth House

The two of you probably met as part of a group that shared some common interest. Robert struck you as a peer, an equal who shared perhaps the same new-age way of seeing things that you do. You have both had the same vision, a common dream, and probably share a mutual resolve to see that those dreams happen. There is a sense of a brave new world about this friendship. The two of you standing on the edge of the future. He represents the way you feel relationships should be. There is a feeling of doing the right thing, what ought to be done, even at the expense of a little warmth.

His Sun In Your Eleventh House

You find that Robert is a fair and open person, and your conversations with him tend to focus on humanitarian and global concerns. There is always a high tone to your talks, and you both bring the best out in each other. You may tend to agree on goals and social/political issues, or be part of some larger group's work. There is a mental and intellectual bond between you that could result in a partnership involving speaking or writing.

His Mercury In Your Eleventh House

It's not everyone that can have the side-effect of making us feel a little saintlike. This does happen when the two of you get together. He manages to find qualities in you like self-sacrifice and forgiveness that you may have overlooked in yourself. In Robert's "light" your better qualities get exposed. He appreciates your more dreamy and psychological side too. There is a lot of silent rapport there.

His Venus In Your Twelfth House

He can be a real go-getter when it comes to the social scene -- always on the move. This may have the effect of moving you to get out and be sociable. The two of you could do a lot together. It is possible that your friends may see him as just a little pushy or too game. Relations may take on an emotional tone that could be unneeded or unwelcome. He may tend to be the life of the party.

His Mars In Your Seventh House

Robert may be a real leader or inspired teacher for you. Through him you may discover a more philosophical and religious side of yourself. You respect his integrity and judgment, and have no trouble following his lead, because he is always fair and knows the right way to handle things. You may have long walks and long talks. Traveling somewhere together would be ideal. He tends to open up your mind to new horizons, perspectives, and possibilities.

His Jupiter In Your Ninth House

You easily feel stifled around Robert, especially regarding your more expressive qualities. It seems he is always putting a lid on any outpouring of self-expression. You may feel that your creativity is being repressed. He may not like children and animals either. This could be a very important relationship if you have a history of no self-control and tend to spend, spend, spend.

His Saturn In Your Fifth House

He may view work in a very unconventional manner, preferring to work odd hours or in a different manner when it comes to working for others. Robert always manages to find different ways to approach routine subjects. This could include alternate or new-age methods of eating, health care, exercise, and the like. He can do detail work, and is a responsible friend, but not in a 9-to-5 sort of way. He can be ever so inventive and labor-saving when it means finding an alternative to tedium and routine.

His Uranus In Your Sixth House

If this is anything else but a brief philosophic or artistic friendship, you may have to take some preventative measure. Robert tends to get you carried away to the point of neglecting responsibilities -- the details of life. Somebody has to empty the garbage, and he may not be the first one to suggest it. He may bring a soothing relief to some of the harsher aspects of life. There is a real temptation to escape from all the little details.

His Neptune In Your Sixth House

You have an immediate gut reaction from Robert, especially when he challenges your more traditional ideas of security -- home and family. He can be a disruptive force in your day-to-day routine and home life. He knows just how to get at you, and you may become very emotional when the two of you are together. You may find yourself hiding this relationship, reserving it for times when you can be alone with him.

His Pluto In Your Fourth House

Your Moon Sextile His Uranus (orb: 05 41')

This is about as close to a mutual admiration society as any two are likely to get. Robert is very supportive of your values and ideals. You might even feed on this. You have always felt simple admiration and appreciation for him. You just like the way he is.
Your Venus Trine His Moon (orb: 06 30')

Challenges in your Relationship with Robert

Report for Kristen

You may tend to ignore Robert's feelings, resulting in arguments and clashes of wills. Your relationship tends to run hot and cold, but when you're hot you are very good friends. There may be some hard feelings between you.

Your Sun Square His Mars (orb: 00 34')

The two of you may tend to get very emotional, and you could clash over many issues. He may feel that he doesn't get enough support from you, and that you are pushy and aggressive. You may not feel like pouring a lot of energy into his needs and demands.

Your Mars Square His Sun (orb: 00 35')

There may be some problems due to a lack of communication. There is an unwillingness on your part to discuss Robert's changes (what he is going through). You may prefer not to comment on sensitive issues, instead of the constant rehash. The resulting confrontations may be hectic and intense.

Your Mercury Opposition His Pluto (orb: 02 56')

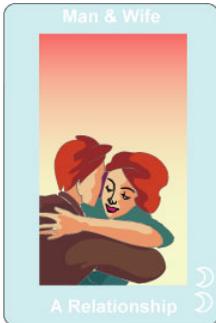

There are a lot of hurt feelings in this relationship. Argument and power struggles are to be expected. You tend to ignore, or not be sufficiently supportive of, Robert's feelings. He can't help but get in digs at you on a regular basis.

Your Moon Square His Mars (orb: 03 16')

He may have a tendency to throw cold water on your enthusiasms and hurt your feelings. You may not take his problems seriously enough to suit him, and he may tend to restrict your natural sense of love and appreciation. There is cold-war tension to this relationship.

Your Venus Square His Saturn (orb: 03 58')

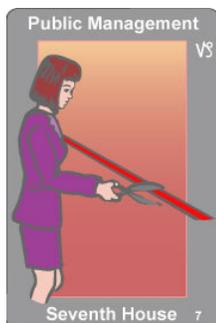

Push me; pull you. There is a tendency to end up feeling at odds with one another no matter what the issue. This could manifest in hard feelings and a lack of support on each of your parts. It is a no-win situation, and even a bit humorous.

Your Moon Square His Moon (orb: 05 47')

You find that it is easy for you to hurt his feelings, or he takes offense easily, with the result that he is not always as supportive of you as you might wish. You both waste a lot of time holding out against the other. You may feel that he ignores you.

Your Sun Square His Moon (orb: 09 38')

How you Approach Relationships

Life for you is, above all, an experience to be lived and felt, and you find yourself sometimes up and sometimes down. You look to your partner for continual advice and guidance. You may benefit from the discipline that an older, more accomplished, life brings to you. You may have a tendency to find your partners restrictive and too serious at times.

Saturn Ruler of 7th

Relationships are always deeply moving experiences for you. You have powerful feelings and can't seem to hide them from others. You're OK when alone, but as soon as you get with a group you can't seem to ignore what you feel. Everything has the tendency to get right to your gut. Marriage is almost unavoidable, so important a role will it play for you. And the road to (and through) marriage is more likely to be turbulent than tranquil. You are committed to all relationships with all your heart. You would make an excellent marriage counselor once you learn to manage your own situation.

Mars In 7th House

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

Sun Sextile Jupiter (orb: 04 45')

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. Mercury Trine Neptune (orb: 05 34')

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Trine Jupiter (orb: 07 28')

Challenges in your Relationships

Report for Robert

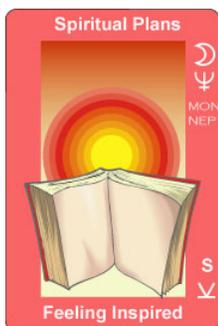

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

Venus Opposition Uranus (orb: 01 28')

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Square Jupiter (orb: 02 33')

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

Moon Opposition Neptune (orb: 04 33')

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Skeletons in the closet and sensitive areas of people's lives both fascinate and terrify you. You have trouble just coming right out and dealing with a touchy subject. It puts you through too many changes. You would rather snoop around.

Mercury Opposition Pluto (orb: 05 32')

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

Moon Opposition Mars (orb: 09 04')

Your Relationship with Kristen

Report for Robert

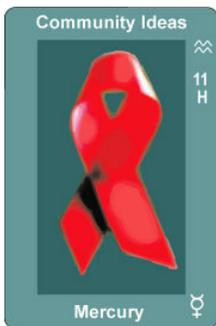

You probably felt at home with Kristen right from the start. You enjoy doing things together. It feels natural and good. It occurs to you that this relationship could last a while. She feels almost like a member of the family and does a lot to bring out your more domestic side. The two of you might cater to the public or run a business from one of your homes.

Her Moon In Your Fourth House

The two of you probably met as part of a group that shared some common interest. Kristen struck you as a peer, an equal who shared perhaps the same new-age way of seeing things that you do. You have both had the same vision, a common dream, and probably share a mutual resolve to see that those dreams happen. There is a sense of a brave new world about this friendship. The two of you standing on the edge of the future. She represents the way you feel relationships should be. There is a feeling of doing the right thing, what ought to be done, even at the expense of a little warmth.

Her Sun In Your Eleventh House

You find that Kristen is a fair and open person, and your conversations with her tend to focus on humanitarian and global concerns. There is always a high tone to your talks, and you both bring the best out in each other. You may tend to agree on goals and social/political issues, or be part of some larger group's work. There is a mental and intellectual bond between you that could result in a partnership involving speaking or writing.

Her Mercury In Your Eleventh House

She values the more philosophical side of you, and it is hard for you not to end up in the role of teacher in this relationship. You find yourself in long discussions that may be as much monologues on your part as anything else. Not everybody thinks of you as a philosopher and sage. Not a bad experience. Kristen is interested in your long-term goals, inner vision, and moral principles. You might enjoy traveling together.

Her Venus In Your Ninth House

Kristen always manages to bring out the philosopher in you. She can be a moving force in developing your deeper and more metaphysical qualities. There is a real emotional tone to how you relate, but it tends to confine itself to matters of religion and values. The two of you could have discussions that often turn into debates. She could be responsible for pushing you toward a role as a teacher or guide to others.

Her Mars In Your Ninth House

She will have a very strong psychological effect on you, particularly in regard to the way you live your personal life. High ideals and humanitarian sentiments are fine, but Kristen has the ability to lead you to putting these thoughts to work on a day-to-day level. Through her you may learn how to really forgive one another, how to let barbs and harsh words roll off your back. She can put you in touch with goals more important than money or recognition -- internal happiness and self-respect.

Her Jupiter In Your Twelfth House

A serious and perhaps lasting relationship, but not necessarily a light friendship. Kristen can't help but exert a certain influence or control on your social sense -- how you react to other people. You may find it difficult to respond to her, for she might be more at home at a funeral than a party. If you are too loose and free on the social scene, this could be a beneficial person to know. You will learn a lot in a hurry.

Her Saturn In Your Seventh House

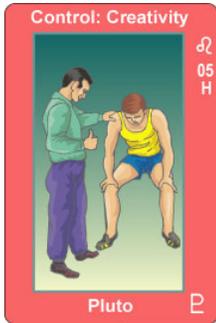

She may view work in a very unconventional manner, preferring to work odd hours or in a different manner when it comes to working for others. Kristen always manages to find different ways to approach routine subjects. This could include alternate or new-age methods of eating, health care, exercise, and the like. She can do detail work, and is a responsible friend, but not in a 9-to-5 sort of way. She can be ever so inventive and labor-saving when it means finding an alternative to tedium and routine.

Her Uranus In Your Sixth House

She exerts a powerful dreamy influence over you which could appear as a perfect friendship. There is no doubt that the two of you may run around together in a kind of trance. Your social life may have all of the attributes of an award-winning movie. Your friends may feel that you are perfect friends. Chances are you will wait for a clear day to see if what you have will last. Late nights, bright lights, big cities are in order.

Her Neptune In Your Seventh House
